Application — Notices and Certification (page 2)

BACKGROUND CHECK NOTICE

A criminal background check WILL be conducted on all candidates before any offer, engagement, or volunteer placement is finalized. Screening includes 10-digit DOJ (state) and FBI (federal) fingerprint Live Scan clearance and state and national sex-offender registry checks, repeated annually for active personnel. You may be rejected — or, if already serving, terminated — based on an unacceptable background check result or a sex-offender registry match. Screening must be complete BEFORE any contact with program participants.

ADDITIONAL REQUIREMENTS

Before participant contact, all personnel complete California Mandated Reporter training (AB 506) and review the SOTC Operations Manual with signed acknowledgment; SafeSport abuse-prevention training is completed within 30 days of the first day of participant contact (Manual Section 6). Where required by a host school district, a TB assessment and district-specific screening also apply. Volunteers under 18 additionally require a signed parent/guardian waiver.

CERTIFICATION

I certify that all information provided in this application is true and complete. I understand that false statements or material omissions are grounds for disqualification, dismissal, or termination of my engagement, and I authorize SOTC to verify the information provided, contact references, and conduct the background screening described above.

Electronic signatures: typing your full legal name in a signature box of this PDF, or signing it with Adobe Fill & Sign, Apple Preview or a phone markup tool, and submitting it through SOTC's secure upload form, is your signature under the federal ESIGN Act and California UETA.

1. Operations Manual and Abuse-Prevention Policies

I acknowledge that I have received, read, and understood the Science on the Court Operations Policy Manual, including the child protection and abuse-prevention policies in Section 4 (zero tolerance for abuse; defined appropriate and inappropriate behaviors; the two-adult rule — no adult alone with a participant, including during any transportation; mandatory reporting; and full cooperation with law enforcement in any investigation). I agree to comply with all policies and procedures it contains. I understand that violations may result in termination of my employment, contract, or volunteer role and, where applicable, reporting to authorities.

Name (print): _____ Role: _____

Signature: _____ Date: _____

2. Sex-Offender and Criminal Background Screening

I understand that SOTC screens all employees, contractors, and volunteers against state and national sex-offender registries and through DOJ/FBI fingerprint (Live Scan) background checks, before placement and annually thereafter. I acknowledge that I may be rejected, or terminated from my role, if a sex-offender registry match occurs or my background check produces an unacceptable result. I agree to self-report any arrest, charge, or conviction occurring between checks (Manual SS3.6).

Signature: _____ Date: _____

3. Mandated Reporter Obligation (AB 506)

I understand that in my SOTC role I am a mandated reporter under California law. I have completed (or will complete before participant contact) the California Mandated Reporter training, and I agree to report suspected child abuse or neglect directly to law enforcement or CPS as required by law — reporting internally to SOTC does not replace my legal duty.
